Health testing must be completed BEFORE breeding. Puppy must not be positive for any genetic defeat, have an over bite, or does not meet breed standards. If said puppy is found to have any of the above

mentioned conditions, the buyer shall notify the seller immediately and provide appropriate documentation of the problem, and promptly spay or neuter the puppy. After the puppy has been spayed or neutered the buyer shall be entitled to a comparable puppy out of a future litter as soon as one is available and at ½ price to the buyer. Buyer will be responsible for the shipping and/or picking up of the new puppy at 8 weeks of age.

If the said puppy on contract is resold, then this guarantee becomes null and void and forfeit all breeding rights! You may not sell or give away puppy to anyone without first notifying seller. As seller must be given a 2 week notice that you are unable to keep the puppy. We will find the puppy a new home or buy it back. If puppy is sold without notifying the Seller first, you are surrendering the dog. And the dog will be taken back by Seller from the new persons.

We offer no guarantee as to the size of your new puppy. Although our dogs come from generations of proven miniatures/toys, crop outs are still possible. We offer no guarantee as to the eye color of the puppy. Although the eye color appears to be blue, this can change at a later age.

The said puppy has all age appropriate vaccinations and had been de-wormed. A record/schedule will be provided.

Buyer must follow the regular vaccine, deworming, and heartworm schedule for the first year of the puppy/dog's life. Failure to do so causes this contract to become null and void. If you feed NuVet vitamins, we will extend the guarantee for 1 more year, to make it 2 years of coverage.

Set up a time to pick your puppy up at approximate 8 weeks of age when ready to go. If prior arrangements are not made and we must hold the puppy longer than 10 weeks then there will be a \$25 weekly charge to hold puppy. Balance must be paid when picked up.
